

St Margaret's Church, West Hoathly, needs your help.

This is your Parish Church, in the heart of the village and the
heartbeat of life in the parish.

St Margaret's Church dates back to 1090 and has witnessed the lives of countless generations from this parish and has proclaimed the Christian faith through joy and sorrow, hardship and prosperity.

St Margaret's Church's role, as it always has been, is to support Parishioners at important times of their life as well as binding our community together socially and spiritually.

We would like to start by saying a **big thank you** to all of you who already give your time, talents, and money to supporting the work of St Margaret's. The church is much loved and beautifully cared for. Thank you.

Some interesting facts about St Margaret's which you may not know:

- ❖ The church costs at least £90,000 a year to run.
- ❖ Part of this is to maintain the 11th century building and beautiful churchyard and the other part covers the cost of our Parish Share, which pays for our Vicar, and provides general clergy support which enables their important work in our community.
- ❖ We are fortunate to enjoy generous support from our regular congregation, from other loyal supporters of St Margaret's, an annual Churchyard grant from the Parish Council and from the modest fees from conducting funerals and weddings (baptisms are free).
- ❖ St Margaret's receives no direct government support and no funding whatsoever from the Church of England.

Your monthly donation would enable St Margarets' Church to provide:

An open door and a place of tranquillity throughout the year.

Maintenance to our beautiful church.

Christmas and Easter Festival celebrations.

Baptisms and weddings

Funerals and support at difficult times.

Events to bring our community together.

Worship for all ages.

Please be assured that every donation – no matter how small - would help!

Thank you very much for reading this leaflet.
